

Christmas Bowtie

Finished Quilt 23" x 29"

Finished Blocks 5" x 5"

Fabric Requirements

An assortment of green and red scraps

1/4 yard grey print | sashing

1/4 yard red print | inner border

1/4 yard light print | outer border

1/4 yard green print | binding

5/8 yard | backing

Cutting

From green prints, cut: 48 pairs of squares, $1\frac{3}{4}$ " x $1\frac{3}{4}$ "

From red prints, cut: 48 - four set squares, 1" x 1"

6 squares, $1\frac{1}{2}$ " x $1\frac{1}{2}$ "

From light prints, cut: 48 pairs of squares, $1\frac{3}{4}$ " x $1\frac{3}{4}$ "

From grey print, cut: 17 strips, $1\frac{1}{2}$ " x $5\frac{1}{2}$ "

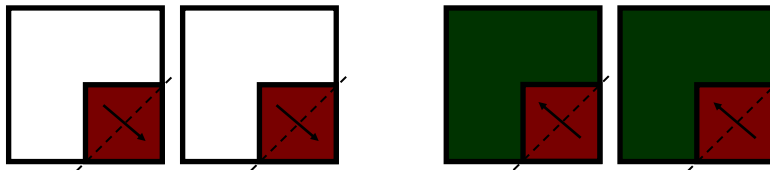

From red print, cut: 3 strips, $1\frac{1}{2}$ " x 42" | inner border

From light print, cut: 3 strips, $3\frac{1}{2}$ " x 42" | outer border

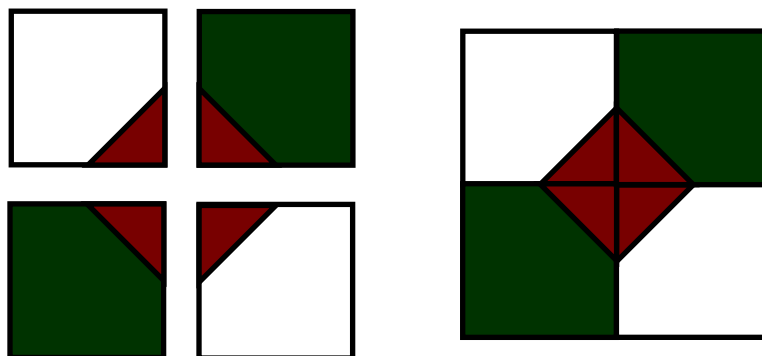

From green print, cut: 4 strips, $1\frac{1}{2}$ " x 42" | binding

Making the Bowtie ~ Instructions are for one block ~ Repeat to make 48 blocks

1. Draw diagonal lines on wrong side of four matching red 1" squares.
2. Sew a square to the corners of 2 matching green and light squares.

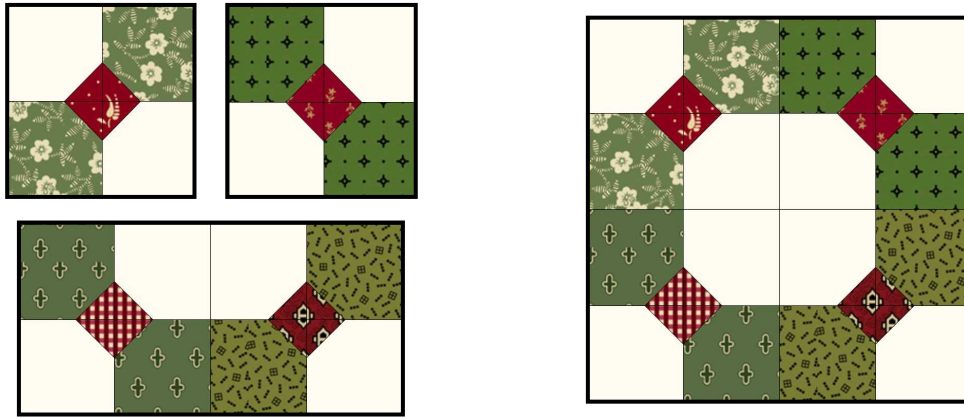

3. Trim off corner and press in direction indicated by arrows.
 4. Layout units in two rows. Sew units in each row together. Join rows alternating seam at intersection.
- Bowtie blocks should measure 3" including seam allowances.

Making the Wreath Block ~ Instructions are for one block ~ Repeat to make 12 blocks

1. Layout bowtie units in two rows. Sew units in each row together. Join rows alternating seam at intersection. Wreath blocks should measure $5\frac{1}{2}$ " including seam allowances.

Assembly the Quilt Top

1. Use quilt assembly diagram below to layout the quilt top.

Sew three blocks and two sashing strips into a row. Repeat to piece four rows.

Sew three sashing strips and two red cornerstones into a row. Repeat to make three sashing rows.

Sew block rows and sashing rows together.

Add inner and outer borders to quilt center using your quilts dimensions for lengths of strips.

2. Quilt as desired and bind using single thickness green binding. Merry Christmas!
