Making the blocks | Make 168 blocks

2. Layout square and triangle units using diagram. Join units to make a block measuring 3 1/2" square, including seam allowances.

3. Join four 3 1/2" blocks to make one pinwheel block. Make 42 blocks measuring 6 1/2" square, including seam allowances.

Assembling the quilt

1. Lay out quilt top in twelve rows of ten blocks, alternating blocks to nest together seam allowances.
2. Join the rows alternating seams at intersections.
3. Add top and bottom borders to quilt center.
4. Quilt as desired and bind.
